Welcome, Y'all.

The President's Welcome Letter

Wambi Cook
President
173rd Airborne Brigade
Association

173rd Airborne Brigade Association

June 1, 2023

Sky Soldiers and Friends of Sky Soldiers,

A warm welcome to our 2023 Annual Reunion.

This is a reunion of firsts. It is the first reunion we've had since COVID-19 and it is our first reunion in which one of our Chapters is not planning and hosting the event. The reason for the change is that our Board of Directors concluded, with such a short post-COVID planning time, it was a bridge too far for a Chapter to plan and resource a successful 2023 Reunion.

So, it was decided by unanimous vote the Association would assume the task of making this event happen. Several sites were proposed and considered. After some debate Nashville, Tennessee, was selected as the venue for this year's Reunion. Nashville has rolled out the red carpet. I hope you will take advantage of the activities we have planned and others, not on our agenda, that you want to explore.

Our Reunion participants constitute over ninety percent of the Sheraton Music City's lodgings. So, you're among friends. The hotel's dedicated staff has assured us that their mission is to meet or exceed our every need. Most of this city's world-renowned attractions are merely minutes away by personal or public transportation.

We are supremely confident the must-see tours we're sponsoring, will spike your interest and provide all the Southern hospitality this city can offer. Don't leave Nashville without tasting and, possibly, taking home some of Nashville's world-renowned hot chicken dishes. Although not on our reunion itinerary, if you find the time, a handful of the South's world class distilleries are located a relatively short drive from the hotel. Lastly, my kudos and well-deserved thank you is extended to every member of the Reunion Committee. Enjoy.

Sincerely,

Wambi Cook, President

173rd Airborne Brigade History

The 173rd Airborne Brigade was constituted in 1917 as an infantry brigade and deployed to France in 1918 as part of the 87th Division. Returning to the United States the brigade was demobilized in 1919.

Redesignated as the 87th Reconnaissance Troop, it fought in three European campaigns. Although not part of the Brigade in World War II, the history of the 503rd Parachute Infantry Regiment is significant to the 173rd Airborne Brigade Combat Team, comprising half of its current fighting strength. The 503rd Parachute Infantry Regiment was formed in 1941 at Ft Bragg. They jumped into New Guinea, in September 1943 as part of the first successful airborne combat jump in the Pacific Theater. On 16 February 1945 they jumped onto the island of Corregidor where they earned the Presidential Unit Citation.

The 173rd Infantry Brigade was activated on Okinawa in 1963 as the 173rd Airborne Brigade (Sep). The unit earned the nickname "Tien Bien" or "Sky Soldiers," from the Nationalist Chinese paratroopers.

In 1965, the Brigade became the first major unit of the United States Army to serve in Vietnam. They conducted the only combat parachute jump of

the war in February 1967. During more than six years of continuous combat, the brigade earned 14 campaign streamers and four unit citations. Sky Soldiers serving in Vietnam earned 13 Medals of Honor. The brigade was inactivated in 1972.

Reactivated in June 2000, the brigade conducted numerous deployments across Europe. On 26 March 2003, the 173rd added to its distinguished history when nearly 1,000 Sky Soldiers parachuted into Iraq in support of Operation Iraqi Freedom I. During the operation one Sky Soldier was awarded the Silver Star.

In 2005, the 173rd deployed to Afghanistan along the contentious Pakistan border in support of Operation Enduring Freedom (OEF) VI. Five Sky

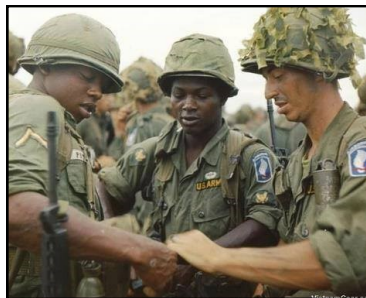

Soldiers were awarded the Silver Star for gallantry in battle.

Upon returning to Italy in 2006, the brigade transformed into the 173rd Airborne Brigade Combat Team. In the spring of 2007, the 173rd ABN executed an extended deployment to eastern Afghanistan in support of OEF VIII where Soldiers exhibited incredible bravery earning one Medal of Honor, one Distinguished Service Cross, and 32 Silver Stars.

In 2009, the brigade returned to Afghanistan for a third time in support of Operation Enduring Freedom X continuing its proud tradition of selfless service, while executing a difficult build mission south of Kabul.

In 2012, the brigade returned to Afghanistan in support of Operation Enduring Freedom XIII returning to Logar and Wardak Provinces where they executed the difficult task of reducing the footprint of the Brigade while continuing to train their Afghan counterparts.

Upon returning to Italy in 2013, the Brigade was redesignated as the 173rd Airborne Brigade. Today, Sky Soldiers continue the distinction of honored service dating back to World War I and proudly represent the Airborne fighting spirit wherever they serve.

National Memorial Foundation

173rd Airborne Brigade National Memorial

The 173rd Airborne Brigade Memorial Foundation was incorporated in the State of Georgia on 7 July 2006. Its mission statement was to build and provide perpetual care for the 173rd Airborne Brigade National Memorial.

Since the mid-1980s, Sky Soldiers had dreamed of building a world class Memorial on United States soil that would commemorate the service and sacrifices of the 173rd Airborne Brigade's Vietnam deployment during which nearly 1,800 assigned and attached services members were taken from us. Some unit memorials and headstones were built at locations around the United States, including a small Memorial located at Fort Campbell, Kentucky where the Brigade was deactivated in 1972, but Sky Soldiers wanted more.

It was not until July 2004 that the 173rd Airborne Brigade Association leadership commissioned a committee to investigate the feasibility of building a memorial. In January 2005 the Association approved a resolution authorizing the committee to develop a detailed proposal for the project. In 2006, the 173rd Airborne Association membership approved the formation of an independent Foundation to design and build a memorial.

The 173rd Airborne Brigade National Memorial Foundation, Incorporated, is a non-profit Corporation whose purpose is "... to perpetuate the legacy of the 173rd Airborne Brigade by constructing and maintaining a 173rd Airborne Brigade National Memorial at the National Infantry Museum Campus near Fort Benning, Georgia."

The Foundation's Board of Directors is composed of members who are citizens and/or legal residents of the United States of America. The majority of the Board must be active members of the 173rd Airborne Brigade Association. Currently, the Board of Directors is composed of seven members elected to staggered three year terms of office. The 173rd Airborne Brigade Foundation has no members outside the Board of Directors, and all are volunteers who receive no reimbursement for their service.

In less than four years from incorporation, the Memorial Foundation designed and built the Memorial that stands in the place of honor at the head of the National Infantry Museum's "Walk of Honor." Ground breaking took place on 11 July 2008 and the Memorial was dedicated in the presence of more than 600 Sky Soldiers and friends on 1 June 2010. Funds to construct the Memorial were provided by individuals, veterans and civic organizations, and corporate sponsors.

The 173rd Airborne Brigade National Memorial Foundation Board of Directors is a virtual corporation without a central office. It may be reached by communications through the U.S. Postal Service addressed to the Foundation at 124 Tugboat Lane, Summerville SC 29486 or via email addressed Secretary@173dairbornememorial.org

Gold Star Program

The 173rd Airborne Association Official Gold Star Program

Mission Statement

The **173rd Airborne Association Gold Star Program** is a private 501(c)(19) nonprofit military organization created to provide honor, remembrance, emotional, peer, and resource support for 173rd Airborne Brigade Gold Star Families. We will host a gathering of Gold Star Family Members at every National Association Reunion, to ensure the sacrifices made by fallen Sky Soldiers will **never be forgotten**, to provide increased public awareness of the **Gold Star** and **Next of Kin Pin**, and the sacrifice required to wear one.

History, Reunion 2023, Reconnecting, and Planning for 2023 and Beyond

The vision and initiative to form the Association Gold Star Family members came from the late General John R. Deane, Jr. and Colonel Robert Sigholtz. It was implemented by Judy C. Campbell, Gold Star Sister of Specialist 4 Keith Allen Campbell [DSC, BSM, with "V," the Purple Heart medal, and the Combat Medic Badge]. Specialist Campbell was Killed in Action (KIA) Vietnam 02/08/1967). Ms. Campbell was the first Association Gold Star Committee Chairman. The program was led by the 173rd Airborne Brigade Association for a few years. Debora Yashinski with the support of her husband, James, Gold Star Parents of SGT Michael Emerson Yashinski [Bronze Star Medal, KIA Iraq 12/24/2003] assumed the Chair position and developed a database of Gold Star Family Members. That database was used by the 173rd Airborne Brigade Memorial Foundation to reach out to Gold Star Family members. Under Eric Hitchcock's leadership of the then 173rd Airborne Brigade Association Foundation, Doris Brazzale-Hovis Chaired the Gold Star Family Program for over six years. She has been its organizer and champion over the past six years with the support of her two talented and dedicated daughters. The program has been active for nearly 20 years.

Judy's, Deborah's, and Doris's dedication, personal touch, and sensitivity to Gold Star Family members has continually improved the quality of reunions and facilitated mutual support among those attending. At reunions, the Association has hosted luncheons or dinners, where Sky Soldiers who served with their loved one joined the event. Each reunion has been memorable for all participants and a significant contributor to the healing of Gold Star Family members and the Sky Soldiers who served with their loved one.

It has been a monumental task to update and reconnect with all the Gold Star Family members in our database. To accomplish that task, would require the 173rd Airborne Brigade Association, its Chapters, and members, to reach out and locate those Gold Star Family members.

The 173rd Airborne Brigade Association 2023 reunion registration has begun and we encourage all Association Chapters and members to reach out to Gold Star Family members in their area and invite them to attend. The 173rd Airborne Brigade Association offers a lifetime honorary membership for the Association Gold Star Family members (parents, siblings, children, and grandchildren) upon Association Gold Star Program confirmation.

We invite Gold Star Sky Soldiers, their Gold Star spouses, and Gold Star children, who lost a loved one serving with other units of the U.S. Armed Forces, to join the Sky Soldier Gold Star Family and attend its events.

Let us not leave any Sky Soldier Gold Star Family member to wonder if anyone cares about their loss and pain. Join the team to let them know that the sacrifice of their loved one will never be forgotten and neither will they. To volunteer please contact Eric Hitchcock at eric@blastincorporated.com or by phone 713-545-3974

Missing Man Table and Honors

As you entered the room, you may have noticed a special table; it is reserved to honor our missing men.

The empty chair represent Americans who were or are missing from each of the services – Army, Marine Corps, Navy, Air Force, Coast Guard – and civilians, all with us in spirit.

Some here were very young, or not yet born, when the Vietnam War began; however, all Americans should never forget the brave men and women who answered our Nation's call and served the cause of freedom in a special way.

Let me explain the meaning of this table, and then join me for a moment of silent prayer.

The table is round – to show our everlasting concern. The cloth is white – symbolizing the purity of their motives when answering the call to serve.

The single red rose reminds us of the lives of these Americans and their loved ones and friends who keep the faith, while seeking answers.

The yellow ribbon symbolizes our continuing uncertainty, the hope for their return, and our determination to account for them.

A slice of lemon reminds us of their bitter fate, captured and missing in a foreign land.

A pinch of salt symbolizes the tears of our missing and their families - who long for answers after decades of uncertainty.

The lighted candle reflects our hope for their return – alive or dead.

The Bible represents the strength gained through faith, to sustain us and those lost from our country, founded as one Nation under God.

The glass is inverted – symbolizing their inability to share a toast.

The chairs are empty – they are missing.....

(moment of silence)

Let us now raise our water glasses in a toast to honor America's POW/MIAs, to the success of our efforts to account for them, and to the safety of all now serving our Nation!
